INTRODUCTION

The sponsors of this book, the Maryville College YWCA and YMCA, welcome you to Maryville and hope that your stay will be fruitful and enjoyable.

The Y's at Maryville hold a unique place on the campus. They serve to unite all men and women of the College in a Christian fellowship where they can serve, work, and have fun together. By looking at the lists of cabinet positions, one can get an idea of just how expansive the program of the Y's actually is—anything from athletics, missions, and radio to worship, hiking, devotions, and community projects.

And how can **you** become a part of all this? Upon payment of the activity fee at the time of registration, one automatically becomes a member of Y. **But** in order to vote and take an active part in the functions of Y, it is necessary to fill out one of the active membership pledge cards which will be made available to all students at the beginning of the semester. However, this is merely the beginning, and the important part is your continued interest and support throughout the year.

We hope this book serves you well as a guide during the college year and also that the Y's serve you in keeping with their purpose and objective—"to unite in a Christian fellowship."

Greetings From Our President

Welcome to Maryville College for the academic year of 1954-1955. It will be the first college year for most students who read this, but the second, third, or fourth for others.

The longer people are at Maryville College the more enthusiastic they become about the College and about being here—if they are in earnest.

While conditions, work, and people at Maryville are not perfect, I recommend the habit of enthusiasm. It will insure happiness and effectiveness from the very first year for yourself and others.

We who have been planning for your coming welcome you enthusiastically for the College's 136th year.

Ralph Waldo Lloyd
President

"ALMA MATER"

Where Chilhowee's lofty mountains
  Pierce the southern blue,
Proudly stands our Alma Mater,
  Noble, grand, and true.

Chorus

Orange, Garnet, float forever,
  Ensign of our hill!
Hail to thee, our Alma Mater,
  Hail to Maryville!

As thy hilltop crowned with cedars
  Evergreen appears,
So thy memory fresh shall linger
  Through life's smiles and tears.

Lift the chorus, wake the echoes,
  Make the welkin ring!
Hail the queen of all the highlands!
  Loud her praises sing!

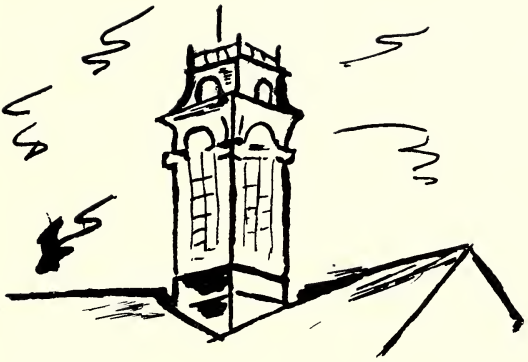
FIGHT SONG

"On Highlanders"

(Words and Music by Charles Huffman, '49)

On, Highlanders, down the field,
  Rolling up a high score!
Tear into the end zone,
  Smash on through that line,
Highlanders!

Send a rousing cheer on high,
  And our boys will shine.
Come on and fight, fight, fight!
  Come on and fight, fight, fight!
For dear old Maryville!



TRADITIONS

There are some things about Maryville which are very special to all of us who are old students and which we know you will treasure before long. When you capture the spirit of Maryville and become a part of our College family, you will find your love for her will be broader and deeper because of them. These special "somethings" are the traditions which are so much a part of Maryville. We know that when you're old and gray you'll have some vivid and pleasant memories of Scotty Hill, and you'll feel a sort of nostalgia when you think of the traditions of your four-year stay here.

You'll always remember your first few days at Maryville as days of lines—registration lines, Treasurer's Office lines, Bookstore lines, and more lines. Don't let them discourage you, though. They will be over in a few days and soon classes will begin. But there's one line we want to tell you about before we go on. It's probably the longest one of all, and we're sure you won't forget it very soon.

We're speaking, of course, of the long line of hand-shakers at the FACULTY RECEPTION. For this line you girls will want to wear your prettiest formal, and you fellows your best suit and tie. Then you'll go with your brightest smile and a firm handshake (at first, anyway), and you'll meet the MC faculty members.

RUSH WEEK comes very near the first of the year with all of its festivities. Membership in the girls' societies—Bainonian and Theta Epsilon—and the men's societies—Alpha Sigma and Athenian—is open to all members of the student body, and the four societies go all out to line up new students as prospective members. In consecutive weeks the brother-and-sister societies conduct intensive membership drives which are climaxed by a formal program on Saturday night. It doesn't matter so much which society you choose, but be sure to choose one and pledge your whole-hearted support to it.

It won't be long before TOWN NIGHT rolls around. At Maryville this is "date night" in town—one night a week for freshman and sophomore girls, two nights a week for junior and senior girls—when you and your date can go downtown for a movie, bowling, skating, or just a hamburger or soda, before signing in at the dorm at 10:30 p.m.

On other week-day nights, as well as during the day, you may feel the need of a coke, sandwich, or an ice cream cone at the STUDENT CENTER. Here you'll find an attractive lounge, a recreation center, and the Y-STORE. Incidentally, it's a good place to stop on your way home from the Saturday night doin's on campus, too.

It won't be long, either, before you discover the two adjectives which are so important to us at Maryville — WARMTH AND FRIENDLINESS. The spontaneity with which you reply to the friendly "hi" and bright smiles between classes will mean as much to you as to those you meet.

You'll find that VESPERS is a program of worship and inspiration which will get the week off to a fine start. Held each Sunday night at 7:00, VESPERS features outstanding guest speakers and music by Maryville's own Vesper Choir. After VESPERS you'll find more warm, instructive fellowship at STUDENT VOLS held in Bartlett Hall every Sunday night about 8:00.

Noted guest artists are heard in the ARTISTS SERIES. The series was discontinued for several years because of the chapel fire; but now that we have our new Wilson Chapel, we can look forward to some wonderful programs by visiting artists.

Sometime early in the fall, the College begins its drive for the FRED HOPE FUND, which was established as a tribute to the memory of one of Maryville's outstanding graduates, Fred Hope, who spent his life as a missionary in Africa. Today this fund enables Maryville College students and faculty to have a part in some outstanding and needy mission work in the foreign field. You'll want to contribute to this worthwhile drive.

Soon FOUNDERS AND HOMECOMING DAY comes in all its dignity. In the morning a chapel service solemnly marks the founding of the College. Dorms are colorfully decorated to receive the alumni who arrive in great numbers. In the afternoon there's a big Homecoming parade through town, and that evening the Scotties meet their toughest foe on the old home field. Oh, yes—you'll envy that lovely senior girl elected to reign as Homecoming Queen, too.

Your guess is as good as ours as to what the theme of this year's BARNWARMING will be. This is THE show of the fall and is held each Thanksgiving eve in the Alumni Gym. Sponsored by the Y's, every effort is made to present the best talent on campus. You'll enjoy the visits through the little "shops" before the main feature. King and Queen, chosen from the senior class, and attendants from each of the four classes are elected

by the student body. But, like the theme, the court is kept a top secret until Barnwarming night.

In no time at all Christmas is here, bringing with it a welcome vacation (preceded by a siege of final exams). In the midst of all the pre-Christmas rush you'll want to take time out for the annual presentation of Handel's THE MESSIAH. The Vesper Choir, the All-Girl Choir, and the Men's Glee Club form the nucleus of the chorus, but yours can be one of the hundreds of voices which unite to present this inspiring oratorio. The College orchestra also takes part, and Miss Davies is the accompanist at the organ.

You'll enjoy your January vacation well enough, but we'll bank on your eagerness to get back on campus and into all the activities here! In February comes the week when the emphasis is shifted more to spiritual thoughts during FEBRUARY MEETINGS. It will be to your advantage to attend these religious services each morning and evening to gain renewed spiritual strength for the weeks to come.

Once each year the dorms hold OPEN HOUSE when the fellows and girls display their rooms to the best advantage to each other and to the general public. This is the time when you see how the other half lives and is always immediately preceded by rather exhaustive house cleaning and followed by loud sighs of relief.

Nothing can compare with the thrill of seeing the sun's first rays burst over the Smokies as the Choir sings "Alleluia, Christ Is Risen." It's worth getting up early and traipsing out to the College Amphitheatre to the EASTER SUNRISE SERVICE.

Each spring the old and new Y Cabinets have their annual Y RETREAT. Held in a picturesque mountain setting, the retreat affords time for these groups to plan the activities for the coming year in Y.

The All-Girl Choir and Men's Glee Club combine every spring to give a musical program. Last year the group presented the delightful Victor Herbert operetta, "FORTUNE TELLER."

Our lovely amphitheatre in the College Woods becomes such varied scenes as the Emerald City of Oz, Alice's Wonderland, or a Southern plantation with Uncle Remus for the annual MAY DAY PAGEANT. Being May Queen is a cherished honor for some senior girl. Her attendants are chosen from the other classes and reign with her over the festivities.

And before you know it, COMMENCEMENT comes. Classes and exams are over, and dignified services are climaxed by the commencement exercises with the procession of the Daisy Chain, the faculty, and the graduating class. The Daisy Chain, composed of 14 girls from the junior class, make the long daisy chains through which the procession passes.

It's a happy occasion for the seniors—but yet a sad one, for last goodbyes are difficult to say. We feel sure the departing seniors will have more than just the initials after their names to remember, though. They are a part of the College which has meant so much to them, and certainly it will become a part of our lives and personalities, too.

THE ABC'S OF GOOD DORMITORY LIFE

One of the biggest adjustments you'll have to make at college is that of living with a dorm full of people. It will require far more understanding and patience than many of you dreamed possible. The oft-quoted Golden Rule applies in a special way here. Remember that the rights of one person are limited so that the rights of another person or group may be respected. We're jotting down a few suggestions here that we feel will be very valuable to you in making your days in the dorm happy ones.

Everybody who wants to listen to a radio has one of his own, so it won't be necessary for you to play yours loud enough for the people down the hall to hear.

Every night many people in the dorm want and need to do some concentrated studying. You will appreciate it when your neighbors refrain from loud talking, door-slamming, and hall-yelling, and when they observe closed study hours and your "busy" signs; likewise, your neighbors will appreciate these courtesies on your part.

You may enjoy living in a messy room, but to your roommate and those about you it may be

obnoxious; so don't wait until time for the yearly Open House to clean up your room.

Guests and visitors often come at the most unexpected times. Always appear properly clad when in the halls; otherwise it can be very embarrassing for an outsider to meet you, and vice versa.

Remember that sincerity and cheerfulness are musts in making and keeping friends. Nothing can brand you quicker than being a perpetual griper, or always making catty remarks about the faculty or other students.

Always keep your conduct in the parlors and public rooms such that others will feel both free and welcome to come in at all times.

If you're not interested in making friends, then you'll

—Monopolize the telephone.

—Sweep dirt into the halls and leave it there.

—Wash your clothes in the bathrooms during the "busy" hours.

—Barge into your friends' rooms during study hours and waste their time and yours as well.

—Get up earlier than most people in the morning and make a general disturbance.

—Use the ironing boards on the floors to do your week's ironing.

—Never clean the tubs, basins, etc., after using them.

—Take supplies from the medicine chest and leave them in your room.

—Borrow extensively from everybody.

Alterations to Rooms

1. Any plans for alterations or improvements in your room must be approved in advance by the Head of your Dormitory, after consultation with the Maintenance Office.

2. Students are held responsible for the condition of their room and furniture.

3. No furniture should be altered or moved from rooms or lobbies without the permission of the Head of the Dormitory.

4. Each student must furnish and use a mattress pad.

Electrical Equipment

1. Since the overloading of electrical circuits is a dangerous fire hazard, clocks, razors, lamps, and radios are the only electrical equipment used in dormitory rooms, and these only after the prescribed fees have been paid (see below).

2. There shall be no meddling with the electric system.

3. Each student shall be responsible for knowing when he is using more than allowed current.

Lights

1. Standard lighting equipment in each room consists of one drop-cord (and one wall-plug in the men's dormitory) and one 150-watt light. For each 50 watts above this allotted amount, a fee of $2.50 each semester will be charged, payable at the Treasurer's Office during registration ($3.50 if late).

2. Lights are to be out in the Freshman-Sophomore dormitories at 11:00 p.m. each night. Warning lights will be flashed at a quarter until the hour for lights to be turned off and again at the hour for lights out. Light cuts for study only may be had in each room twice per week.

Lights in the Junior-Senior dormitory may remain on any night after eleven for study purposes only. The same regulations for quiet, each girl in her own

room, and light cuts for study only, are in effect at eleven o'clock.

(This regulation regarding lights in the Junior-Senior dormitory was voted on a provisional basis in the spring of 1953. It is on two-year trial basis and must be voted on again in January of 1955.)

3. Students are asked to turn out lights when leaving their rooms.

Radios

1. A fee of $2.50 each semester, payable at the Treasurer's Office during registration, is charged for each radio. Application for permit is made to the Head of Dormitory. If payment is late, the fee is $3.50.

2. Radios must not be played between 11:00 p.m. and 6:00 a.m.

Study

1. Dormitories are to be kept quiet for study and rest, and in consideration of others, from 8:00 a.m. until 3:30 p.m., and from 7:15 p.m. until 6:00 a.m. "Closed" study hours are maintained in the Freshman-Sophomore dormitories from 7:30 p.m. until 9:30 p.m.

2. You may study in the Library throughout the day and each weekday evening, except Saturday, from 7:00 until 10:00 p.m. Women students after 7:00 p.m. must sign out and in on the dormitory sign-out sheets.

Illness

1. In case of illness, notify the Head of your Dormitory at once.

2. Forms for having absences excused must be presented at the Personnel Office within two days after returning to classes; otherwise the excuses will not be honored by the Personnel Office.

Infirmary

1. If you go to the College infirmary as a patient, arrangements should be made through your House-mother. You should take your own pajamas, towel, washcloth, etc.

2. The infirmary clinic is open each week day as follows:

10:00 — 11:00 a.m.
4:00 — 5:00 p.m.

(The doctor is there on Monday, Wednesday, and Friday nights.)

Emergency cases, of course, are received at any time.

3. If you visit patients in the infirmary, please observe the following visiting hours:

1:00 — 1:30 p.m.
4:00 — 5:30 p.m.
6:30 — 7:15 p.m.

Permission should be obtained from the nurse before visiting patients.

Ironing

1. All ironing must be done in the laundry rooms or other specified places. The ironing boards on each floor of the women's dormitories are for pressing only.

2. No ironing is to be done on Sunday except emergency pressing between 7:00 and 9:00 a.m.

Laundering

1. All laundry must be done in the laundry rooms, except in emergency cases when small amounts of light laundry may be done in the bathrooms.

2. No laundering is to be done on Sunday.

3. Each dormitory has its own regulations concerning the use of the Bendix machines.

Business Agents

1. Students must have permits from the Student Help Office in order to solicit business in the dormitories.

Smoking

1. Smoking is not permitted in any of the dormitories (or elsewhere on the campus). Violations are subject to College discipline.

Emergency Drills

1. Each dormitory will participate in emergency drills, having its own organization and regulations.

Confiscation of Equipment

1. In the women's dormitories this is handled by the monitors and officers of the Women's Student Government Association, and in the men's dormitories by the Head of the Dormitory as follows:

a. Any electrical equipment being used in dormitory contrary to regulations will be confiscated and placed in the office for the remainder of the semester.

b. Radios in use after 11:00 p.m. will be confiscated and placed in the office for one month.

General

1. Possession of liquor bottles, public or private signs, or road markers is considered, for obvious reasons, a disciplinable offense.

2. Possession of firearms, pass-key, or key to any dormitory room other than one's own is forbidden.

3. Regulations imposed by civil law are in effect College regulations. For example, the possession or use of fireworks and the like in buildings and on the campus is violation of Tennessee law and therefore a disciplinable offense.

Absence from the Dormitory

1. After 7:15 p.m. you must personally sign out and in on the sign-out sheet.

2. After attending any college function, return to the dormitory promptly (15 minutes is the maximum time allowed).

Absence from Campus

1. Permission to attend off-campus functions must be made through arrangements with the Head of the Dormitory or the Dean of Women.

2. You must always sign out and in on the sign-out sheet.

3. You may go to Maryville or Knoxville any weekday providing you return to the campus before 6:00 p.m. Trips to Knoxville are not made in the company of men, except by permission of the Dean of Women. (See WSGA Constitution, Article VII, By-Laws Nos. 2 and 3 for Junior and Senior privileges.)

4. If you wish to visit over the weekend or to be absent overnight from the campus, you will have to have written permission from your home or have had your parents previously sign the regular Standing Permission form which allows you approximately five visits a semester other than to your own home. Approval for these visits must be obtained in advance from the Dormitory Head, and your plans must be discussed with her so that she can fill out your activity card properly.

5. When properly chaperoned and arranged at least one week in advance with the Dean of Women, week-end camping trips are allowed; seniors and juniors may have two such trips a year, and sophomores and freshmen, one.

6. You may go to the College Woods in groups of two or more on weekdays and Sundays, but not in the company of men.

Monitors

1. Each student is required to serve as monitor, as arranged by the Student Government, at least once each semester.

2. As monitor you must be present on your floor during the time you're on duty, seeing that the halls are kept quiet during study hours and that students are in their own rooms after 11:00 p.m. It's your job to check on proper use of lights and radios at night, to answer the buzzer, and to see that rules in general are obeyed. Violations are to be reported to the House Committee.

Telephoning

1. Local or long distance calls may be made and received any time between 6:00 a.m. and 11:00 p.m.

2. Outgoing calls, except to faculty and staff, must be made on the pay phones.

3. Incoming calls will be received on the office phone and transferred to the pay phone.

4. Everyone should limit calls to five minutes.

Summons before House Committee

Students will be brought before the House Committee for the following reasons:

1. Ironing on Sunday other than at the specified time.

2. Using lights after 11:00 p.m. for purposes other than study.

3. Abusing light privilege by habitually using lights after 11:00 p.m.

4. Being in someone else's room after 11:00 p.m.

5. Washing in bathroom contrary to regulation.

6. Being in bathroom after 11:00 p.m. for other than legitimate reasons.

7. Violation of other dormitory regulations, undue disturbances, or consistent lack of cooperation.

MEN'S DORMITORIES

Absence from the Dormitory

1. Overnight absence must be arranged with the Head of the Men's Dormitory. It is important that the whereabouts of students be known at all times, in case they should be needed for any cause.

Lobby

1. Men living in the dormitory may entertain their families in the lobby at specified times.

Visiting

1. Visiting hours when men may visit in student rooms in Carnegie and Bartlett are from 3:30 to 7:15 p.m. each day.

Disciplinary Measures

Disciplinary measures will be taken by the Executive Council of the Faculty or the Supervisor of Men's Residence for infractions of these rules:

1. Abusing light privilege by habitually using lights after 11:00 p.m.

2. Being in someone else's room after 11:00 p.m. or having visiting student in his own room.

3. Creation of disturbance in dormitory.

4. Willful destruction of property.

5. Violation of other dormitory regulations.

Lights and Extension Cords

One hundred and fifty watts are allowed for lighting purposes. Lamps and/or appliances may not exceed four and these must be connected with standard five-foot extension cord with not more than two on each outlet.

LET'S EAT

Meals are served in the Dining Hall on the first floor of Pearsons Hall as follows:

Weekdays: 7:00 a.m., 12:30 p.m., 6:00 p.m.
Saturdays: 7:00 a.m., 12:30 p.m., 5:30 p.m.
Sundays: 8:00 a.m., 12:30 p.m., 5:30 p.m.

Your guests may eat in the dining room by arranging with the Dietitian.

Meal prices are:

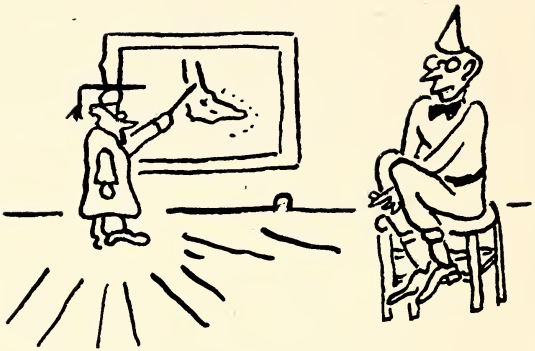
Weekdays: Breakfast, 35c; Lunch, 75c; Dinner, 75c.
Saturdays: Breakfast, 35c; Lunch, 75c; Supper, 40c.
Sundays: Breakfast, 35c; Dinner, $1.00; Supper, 40c.

Your tablemates, all seven of them, will appreciate your appearing well-groomed and well-mannered at meals. Take time to freshen up a bit before meals, especially dinner. For Sunday dinner, both boys and girls are expected to wear their "Sunday best."

Try to make conversation table-wide, but remember loud and boisterous talking is in poor taste and is annoying to those at tables nearest yours. At the table acquire a bit of "polish" to your manners. After all, bad manners are not considered cute, and it isn't difficult to say "please" and "thank you."

Your waitress has classes and obligations too, so she will appreciate your consideration in getting to and from meals on time.

By all means, you will want to be attentive and reverent during the blessing.



ON GOING TO CLASS

1. Students are advised to keep a personal record of all absences.

2. Excuses for illness or other emergencies must be presented at the Personnel Office within two days after returning to class, otherwise they will not be approved. You must notify immediately the Head of the Dormitory of any situation requiring your absence from classes, chapel, Sunday School, and Church. No excuses will be approved unless you do this.

3. Absences will be authorized for approved College activities, such as scheduled trips for members of the debate squad, choir, band, ball teams, etc.

4. Here is a list of cuts allowed from each class or service that may be taken on your own responsibility when you think necessary. Students on the honor roll (B average the preceding semester) are allowed one additional cut from each class.

Freshmen and Sophomores

Chapel	3
Sunday School or Church (total of)	3
1-credit hour class	1
2-credit hour class	1
3-credit hour class	2
4-credit hour class	2

Juniors and Seniors

Chapel	5
Sunday School or Church (total of)	6
1-credit hour class	1
2-credit hour class	2
3-credit hour class	3
4-credit hour class	4

The Personnel Office applies a penalty for each "over-cut" taken. Grade points and semester hours are deducted from your total according to the following:

1. For each "over-cut" one-half semester hour and one and one-half grade points will be deducted from the total credit.

2. For "cuts" within two days before and after a recess or holiday, one-half semester hour and one and one-half grade points will be deducted for each class missed.

3. Upon accumulating fifteen penalized absences in any one semester, the student is immediately dismissed from College.

Absences for any cause (allowed, excused, authorized) totaling 25% of the course in which the absences are incurred, debar the student from receiving a grade higher than D in the course; or totaling 50%, debar from credit in the course.

CAMPUS SOCIAL LIFE

Dating

1. Parlor dates may be had in the women's dormitory parlors from 7:00 until 10:15 p.m. any weekday evening by arranging with the Head of the Dormitory. Freshman and sophomore women may have four each month and junior and senior women may have an unlimited number.

2. Sunday dating is for the services only, with the exception of Easter and Baccalaureate Sundays when afternoon dating is also permitted.

3. Calling hours for men in the women's dormitories are as follows:

Weekdays	1:00 to 1:20 p.m.
	3:30 to 5:30 p.m.
	6:30 to 7:15 p.m.
Town Night	5:00 to 7:15 p.m.
	9:30 to 10:15 p.m.
Sunday Afternoons	1:00 to 1:20 p.m.
Saturday Afternoons	1:00 to 5:30 p.m.

(Men may stay in the dorms after Vespers on Sunday until 8:15 and after Student Vols until 9:15.)

4. Couples may be together within the Circle Drive each weekday evening until 7:15 (7:00 on Sunday) and until 1:20 on Sunday afternoons.

5. Dating is allowed at announced College activities. Couples return to the women's dormitories within fifteen minutes after the close of the activity and men do not stay after that time. Otherwise there is no dating on weekday evenings, either during or after library hours, except that men may walk with women directly from the Library or the Student Center to the women's dormitories and leave immediately.

6. Dating in Knoxville for women other than Seniors may be arranged occasionally by permission from the Dean of Women. Only bus transportation is approved.

Dancing

1. Social dancing each weekday (except Saturday) evening following supper till 7:15 is informal, held in the Intramural Gymnasium.

2. Two formal, all-college dances are held each year, one in the fall and one in the spring. For girls dress is formal; for fellows tuxedos are nice but not necessary—business suits are just as acceptable. Admission tickets and corsages are regulated by the Social Board. Your request for a non-student guest must be handled through the office of the Dean of Women.

3. Occasional informal, all-college dances have rules which say "No" to corsages, tuxes, and admission charge. Music is recorded, and the informal note is set.

4. Dancing is permitted for small groups scheduling parties in the Y-rooms or other small social rooms, by arrangement with the Dean of Women and those responsible for the premises involved.

Planning All-Campus Entertainment

1. Programs must be officially authorized and scheduled through the Faculty Committee on Scheduling of Activities (Curriculum Office).

2. Student programs are subject to preview by the Student-Faculty Committee on Student Programs.

Planning Parties, Picnics, and Other Social Activities

1. You must secure approval from the Dean of Women's Office at least five days in advance.

2. If the function involves transportation, it must be by a conveyance on which personal insurance is carried on the passengers—this means buses, trains, or private cars.

3. All social activities must be held on the campus or at some other approved place and must be properly chaperoned.

4. The "Y" Rooms are available if arrangements are made in advance through the House Committee of the YWCA.

Evening Activities

1. Evening activities must be scheduled in advance with the Faculty Committee on Scheduling of Activities (Office of Dean of Curriculum).

Initiations

1. Initiations are not to interfere with the general program of the College; for example, they must not be such as to create disturbance in Chapel, classes, dining hall, or dormitory. They must not involve physical force or hazard.

2. Plans and procedures for initiations must be approved in advance by the Interclub Council, in accordance with the principles stated above.

Smoking

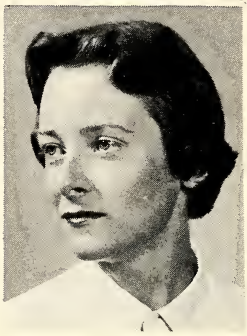
GREETINGS FROM OUR STUDENT BODY PRESIDENT



Carol Moore

Dear Students,

Hello to all of you, freshmen who are just becoming acquainted with Maryville, and upper classmen to whom Anderson tower, circle drive, and the crowd in front of the dining hall are familiar sights. As president of the Student Council, I extend greetings from the representatives on that governing body and an invitation to each of you to take an active part in your student government this year. Whether you make your place as a candidate for office, a poster artist, or a voter is not especially significant. The important thing is that you do take some part in this government which definitely influences your campus life.

Read the constitution contained in this book and become familiar with it. Follow the Council's activities and feel free to express your opinions to your student representatives. Maryville College is proud of her fine student government, and we want each of you to have a place in it.

Best wishes for a successful year.

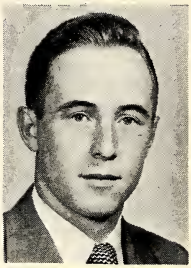
GREETINGS FROM OUR SOCIAL BOARD CHAIRMAN



Harry MacCall

Hi Ya'all,

With a traditional Southern greeting I want to welcome you to Maryville College. This friendly greeting will soon come to mean a great deal to you because it will be the password that will enable you to meet many new friends.

Although the main emphasis of college life is studies, we must also round out our program with a good social life. Throughout the year we will be having many big social events for all to participate in. In the fall we will have football games, Barnwarming, Rush Week, and many other big events. Then in the second semester we will have May Day, baseball games, hikes and other such activities. During both semesters we will have a big formal dance that is always popular with all the students.

On the whole it looks like a great year. From the first minute you arrive at Maryville until you go home, pitch right in and take a part in the activities that will be going on around the campus. Start the semester off right, and a good dose of that "Maryville Spirit"—it really does you good.

Here's hoping that you are having a great summer and enjoying a wonderful vacation. We are all looking forward to meeting you in the fall.

See you real soon,
Harry MacCall
Social Board Chairman

Lyn Keifer

Hi Girls,

Welcome each and everyone of you to the Hill! We are looking forward to a year filled with fun and fellowship for all—and that's just what it will be if everyone takes part.

We believe that in the YWCA, with its opportunities for us to grow physically, mentally, and spiritually, there is a place for **every** girl. So we invite you to join in one or several of our many activities—Y-Radio, worship programs, community service, missions work, Y hike, and many others. Most of all, we hope you'll find real fellowship with us as we work, play, and worship together to enrich our life both here on campus and in the world.

This year can be the best for each of us in "Y". We'll be waiting for **you** and **your** participation!

Sincerely,
Lyn Keifer

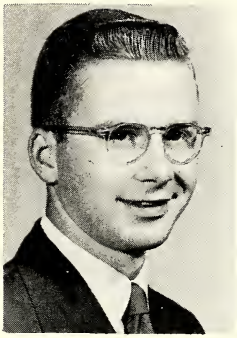
GREETINGS FROM OUR YMCA PRESIDENT



Jim Fisher

Hi Fellas,

In a short time we'll all be back "on the Hill" for the beginning of another semester. Until then, let me take this opportunity to say, "Welcome, we're glad to have you" to the new students, and "Welcome back" to the old.

We sincerely hope that you will find a place in Y this year, for we feel not only that we have something to offer you, but also that your support is needed to help carry out our overall program. This includes athletics, devotions, mission projects, radio, worship, the Y hike to the Smokies, and many others. 2. The provisions for responsibilities and penalties shall be the same as in By-Law No. 2 for senior women.

HOW WE SPEND OUR FREE TIME

College is the place to learn selection and discrimination. Start using this principle when choosing your extra-curricular activities. You must not go to extreme and join every club that comes your way. If you do, you'll soon find yourself all bogged down and your enthusiasm lost in social activities as well as studies.

During your freshman year, pick one or two activities on which to concentrate your efforts. Then, if your grades remain high and you find time for other activities, you'll have plenty of time to become a member of another club later. Remember that such activities as the **Echo** staff and debating take more time each year. Once you have joined a group, try to stay with it through the rest of your College life. If, during your junior or senior year, you feel you are forced to give up something, the least you can do is not to substitute one club for another.

HONORARY FRATERNITIES

Pi Kappa Delta

Maryville has the distinction of having the Tennessee Alpha Chapter of Pi Kappa Delta, national honorary forensic fraternity. Debaters of sophomore classification or above who have fulfilled certain qualifications are eligible to be elected into its membership. Members of this organization are awarded orders and degrees according to rank and achievement. Maryville participates in the Pi Kappa Delta National and Provincial Conventions.

Theta Alpha Phi

Talented dramatic students may, upon meeting certain requirements for membership, be initiated into the Tennessee Delta Chapter of the national dramatic fraternity, Theta Alpha Phi. Members of this organization take a leading part in dramatic activities on the campus; however, opportunity is given to all students to try out for the various plays given throughout the year.

Sigma Delta Psi

Maryville's chapter of Sigma Delta Psi was established in 1930. Membership is earned by meeting the requirements of various athletic tests in the presence of a responsible committee.

Alpha Gamma Sigma

Alpha Gamma Sigma was organized in the spring of 1934, for the purpose of motivating high scholarship among students. Its requirements are similar to those of Phi Beta Kappa. Ten percent of the graduating class may be admitted provided the members have a grade point ratio of 6.5, or somewhat more than a B average.

OTHER ORGANIZATIONS

Pi Gamma

Pi Gamma, sponsored by the YW, is for the purpose of promoting friendship between town and dormitory girls. The girls in Pi Gamma have a luncheon every two weeks to which they usually invite dorm girls. Friendships between town and dorm girls are mutually advantageous and enjoyable. Some of the happiest memories of college can be the weekend that you, as a dormitory girl, spent in the home of a town friend, or the time you, as a town girl, were invited to spend the night in the dorm. No girl should go through college without such an experience.

Student Volunteers

Student Vols is affiliated with the national Student Volunteer Movement. Vols is a fellowship of students who wish to establish and further a significant concern in the missionary enterprise. It is composed not only of students who are planning to go to the field, but also, and chiefly, of all those who are in any way interested in the mission of Christ's church. The weekly programs (Sunday night after Vespers, usually in Bartlett Hall) present informative and challenging aspects of the work being done on both the foreign and home mission fields. Regular prayer-fellowship and study groups, a special missionary out-reach project, and socials also have a vital part in the total Vols' program.

Parish Project

The Maryville College Parish was incorporated last year in the new larger parish of the Blount County area. College students are needed in the program to serve as Sunday School teachers and as youth workers. More are needed to preach on

Sundays and to teach during the week. Students are given a half-hour credit for this work and they attend weekly conferences for guidance in their program.

Pre-Ministerial Association

The Pre-Ministerial Association, organized in 1900, is open to all students who are planning to become ministers or who are interested in other phases of Christian service. In addition to its regular meetings twice a month the Association shares in planning with the other religious organizations, YM, YW, and Student Vols, the campus prayer meetings and other campus religious programs. Its members are encouraged to engage in some form of service to local missions and rural churches in the vicinity of Maryville.

Writer's Workshop

Literary interest and achievement are the basis for membership in Writer's Workshop. Members are elected from the junior and senior classes and faculty. Each member writes and presents to the group two papers each year for criticism and in turn serves as literary critic.

CLUBS

Bainonian

Varied activities and friendships highlight the program of Bainonian Society. The second week after school starts this year, Bainonian will join her brother society Athenian to present a Rush Week program. Last year's theme for Rush Week was "Stairway to Heaven." Weekly meetings through the year are held in Bainonian Hall.

Theta Epsilon

Organized in 1894, Theta Epsilon Society has played an active part in campus life. Last year Theta won the cup for giving the best skit in the Annual Skit Contest. The third week of school this year will find Theta and her brother society, Alpha Sigma, presenting their Rush Week. Last year's theme for this important week was "Mardi Gras." Meetings are held each week in Theta Hall.

Alpha Sigma

Alpha Sigma, founded in 1884, offers men of the College an opportunity to participate in activities that will build true friendships. It enters teams in all intramural sports and holds an annual weekend trip to the mountains, barbecue, banquet, and similar activities. It joins with its sister society Theta Epsilon in producing a dance and a Rush Week program.

Athenian

Lasting friendships are made in Athenian Society, oldest society on the campus. College men appreciate a society that brings them a varied and interesting social program and also active participation in the College's intramural program. Athenian joins Bainonian, its sister society, in its annual Rush Week program and holds weekly meetings in its society room.

Christian Education Club

Maryville's newest campus organization — the Christian Education Club — was formed for the purpose of giving an opportunity to prospective Directors of Christian Education and church workers to become familiar with various skills needed in the field. This is done through a program of lectures and laboratory periods. The club is open to all those interested.

International Relations Club

Maryville's I.R.C. is affiliated with the Association of International Relations Clubs. Its purpose is to stimulate an awareness of current international affairs. Student-led programs include movies, speakers, and discussions on such pertinent topics as Indo-China, Israel, and South Africa.

Pre-Med Club

To anyone who is planning to go into medicine or nursing the Pre-Med Club offers an excellent chance for hearing lectures on medicine and related fields from various prominent members of those professions.

Often there are student participation programs or selected short movies. The club meets twice a month throughout both semesters and interest is the only prerequisite to membership.

French Club

The French Club is composed of thirty members who are taking French and who qualify for membership by scholarship and interest. This club features semi-monthly programs of French songs, games, movies, and plays, and holds occasional socials.

German Club

All College students who are interested in German culture, regardless of whether or not they are German students, are eligible for membership in the German Club. Regular meetings are held

twice a month to stimulate interest and arouse participation in different phases of German culture.

Spanish Club

The limited active membership of thirty plus all native Spanish-speaking students on the campus are elected from applicants who are interested in the activities of the Spanish Club. Beside the semi-monthly evening meetings at which are presented programs of language, customs, culture, music, dance, and use of audio-visual equipment in the language laboratory, there are an outdoor picnic and a Christmas party featuring the Spanish pinata. All Freshmen are invited to visit the club when they arrive on the campus.

"M" Club

"M" Club is the girls' athletic club of Maryville College. Membership is attained by making a total of 400 or more points through participation in what is known as Women's Varsity. In addition to athletic activities two hours a week, the members meet monthly for business discussions and enjoy an athletic activity together. The high spot of the club's activities is the weekend hike in the Smoky Mountains once each semester.

Men's "M" Club

The Men's "M" Club is open to all varsity lettermen, and male members of the coaching faculty. The purpose of the organization is to further the bonds of athletic brotherhood on the Maryville campus, to be of service to the school and the athletic program, and to increase loyalty to the best interests of the College.

Disc Club

The Disc Club was organized in 1936 to encourage music appreciation. Its organization is very informal, and all students who wish are considered members. Half-hour programs of music representative of various

periods and styles are presented twice monthly after the evening meal.

Future Teachers of America

Jasper Converse Barnes Chapter of the Future Teachers of America was organized in the spring of 1949. All students planning to teach are eligible for membership in this club which is affiliated with the National Education Association.

B. G.

This is a small club of eight campus girls who keep the meaning of their initials a secret. At the end of each year two freshmen and one sophomore are elected members. Originally organized for hiking, the club today is purely social.

Business Club

The Business Club was formed for the purpose of promoting a better understanding of sound business practices and to give its members a wider acquaintance with the various fields of business and the opportunities and possibilities that they offer. This is done through semi-monthly meetings at which different business leaders talk to the group and films on various phases of business are shown. Although membership is limited to majors in business administration and economics, its meetings are open to anyone interested in the field of business.

Music Education Club

The Music Education Club is affiliated with the Music Educator's National Conference as Student Members Chapter 383. Membership is open to all students interested in teaching music. Meetings are held the first and third Thursdays of each month.

CAMPUS PUBLICATIONS

Opportunities for creative writing are offered through the various college publications. Many who are interested in journalism gain valuable experience by serving on the staff of the college newspaper, annual, or **M Book.**

Highland Echo

The **Highland Echo** is the college newspaper, usually published weekly. Freshmen and other new students are welcome and urged to try out for staff positions if they are interested. At the end of each college year, staff promotions are made on the basis of writing, interest, and dependability. The **Echo** constitution limits the number of staff members from each college class. The editor is elected by the staff, and is usually a senior. Chief purpose and policy of the **Echo** is to present campus news as interestingly and as thoroughly as possible.

Chilhowean

The **Chilhowean** is the annual year-book which is published by members of the junior class. It gives a vivid account in pictures of the outstanding events of the year as well as individual pictures of almost all of the student body.

Alumni Magazine

The **Alumni Magazine** sends news of the College and alumni to former students of the College. It is published quarterly by the Alumni office.

M Book

As you have already discovered, the **M Book** is the little volume you are now reading. It is published every year by the YMCA and YWCA and is the official College handbook. College rules, customs, and activities are described within for the student's benefit.

MUSIC

If you have any musical ability whatsoever, be it singing, blowing a tuba, or playing a violin, there's ample opportunity at Maryville to develop those talents. The musical program gets in full swing with the performance of the marching band at the football games and ends with the choir's final anthem on graduation day. Recitals which anyone may attend are given from time to time by music students and faculty.

Vesper Choir

The Vesper Choir provides good training and genuine pleasure for those who are interested in singing. It is composed of about sixty members who must pass rigid tryouts before they are accepted. The group participates in the weekly Vesper services and the daily chapel programs as well as presenting special programs in Maryville and surrounding cities. The choir has sung in many cities of the East, Midwest and South.

All-Girl Choir

The sixty girls who compose this group are selected by tryouts each semester. They replace the Vesper Choir at the Sunday evening service a number of times a year. In the fall the Girls' Choir combines with the Men's Glee Club to present a sacred concert, and in the spring the combined groups present a program of secular music.

Men's Glee Club

This group consists of about forty men, but additional members may be admitted by tryouts each semester. The sacred concert in the fall and a secular program in the spring are the highlights of the year's activities for the Glee Club.

Band

The students who enjoy playing a musical instrument are urged to try out for the College marching

band. The band, numbering about fifty pieces, plays for all the home football games and takes one out-of-town trip with the team. For freshmen and sophomores the marching practice takes the place of the physical education requirement. When football season is over, the marching band reorganizes as a concert band which gives an outdoor concert during the last few days before commencement. Don't take the chance of not having an instrument for tryouts; bring it along with you this fall.

Last year for the first time in seven years, the band appeared in uniform. The authentically styled kilts of imported Scotch wool are the pride of the campus.

Orchestra

Orchestra members are admitted and placed by tryouts each fall. They gain valuable experience in presenting two concerts of classical numbers annually and accompanying "The Messiah." Their spring concert features an outstanding music student playing a well-known concerto.

Tau Kappa Chi

This is a musical organization for students who either are music majors or are taking applied music. Its purpose is to promote student and community interest in music. The aims are to raise the general academic standing of those enrolled in music; to provide a goal for all students interested in music; to promote thoroughly trained musicianship; and to further the understanding of all types of music. A general average of B for the last two semesters is required for membership.

String Ensemble

The String Ensemble is open to all string players in the orchestra. Various programs are given throughout the year, both on and off-campus. Programs last year included playing dinner music at two banquets, a program at a local PTA meeting, and a regular music hall concert with a violin soloist.

DRAMA AND DEBATE

Playhouse

The Maryville College Playhouse originated in the fall of 1949. In addition to those who are qualified as Players, there are many Apprentices working toward the position of Player. Three outstanding plays were presented last year: in the fall, **Bell, Book, and Candle;** in the spring, Christopher Fry's **The Lady's not for Burning** was presented; and the Commencement play was **Family Portrait.**

Experimental Theatre

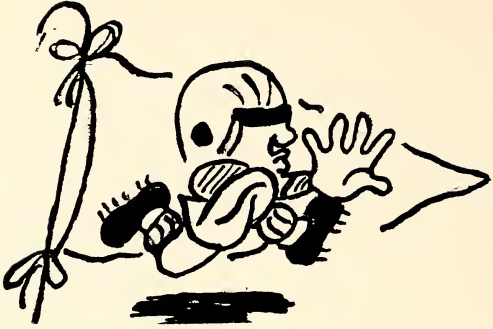
Besides the major plays the Experimental Theatre gives several one-act plays during the year. Those given first semester were **Sleep of Prisoners** and excerpts from Shakespeare's **Taming of the Shrew, Merchant of Venice,** and **Midsummer Night's Dream.** The Shakespearian skits were presented in-the-round. Second semester, **Dark Lady of the Sonnets, Suppressed Desires,** and **The Intruder** were given.

Debate

Through the years Maryville has had an outstanding record in debating and other speech activities. Last year our teams performed creditably in five tournaments, including the Pi Kappa Delta Provincial held at Georgetown, Kentucky.

Debating is an excellent extra-curricular activity in that it develops ability and effectiveness in speaking, encourages interest in world affairs, teaches one to reason logically, and provides a sense of achievement for a job well done. It will be especially valuable for those planning to enter the ministry or law professions.

The Varsity squad is coached by various faculty members. All students below senior classification are urged to come out for debate. The sole requirements are interest and willingness to work. Returning debaters are composed of students of the three upper classes. That many return year after year should be proof enough of the worthwhileness and rewards of debating.



SPORTS

Every boy has at one time or another dreamed of being a star in some sport. At Maryville there is a fine chance of making that dream a reality. Maryville is very active in intercollegiate sports and also maintains a well organized intramural sports program for those who wish to participate. For the girls there is a well-developed point system whereby they may earn a sweater with an "M" or an "MC" monogram. No one is permitted to wear other school letters at Maryville.

Maryville does not buy her athletes. Those who participate in inter-collegiate sports earn their places on the teams by physical prowess and acceptable scholarship.

Athletic Association

All students and faculty of Maryville College belong to the Athletic Association. This organization works with the Department of Athletics to help further the development of that field. Each spring a president, vice-president, secretary, three boys, two girls, and two faculty representatives are elected to the Executive Board which acts for the Association. The Director of Athletics and the chairman of the faculty Athletic Committee are ex-officio members of the Board. This Board elects managers of athletic teams, makes awards to members and managers of men's teams, to members of Women's Varsity, and to the cheerleaders.

Intercollegiate Athletics

Maryville is known for her strength in minor sports. She competes with the best colleges and universities in the field. In past years Maryville has placed high in wrestling in the Southeastern AAU Tournament. The tennis team compiled an excellent record, winning all intercollegiate matches but four. The cross-country team came through the season with a good record.

In major sports Maryville holds her own with colleges of the same size. Through the years she has had good records in baseball, basketball, football, and track.

Let's all support our teams enthusiastically, win or lose, because school spirit is part of Maryville's athletic program, too.

Women's Varsity

As most colleges, Maryville no longer offers a women's intercollegiate program; instead there has been substituted Women's Varsity. Participation in various sports qualifies a girl for a specific number of points. Every girl who makes 500 points earns a sweater with an "M" on it, those earning 400 points receive an "M", and those who earn 300 points are given an "MC" monogram. All women earning 400 or more points may become members of the "M" Club.

Girls participating in this program must swim twice a month, obey the health rules, and exercise daily for an hour. Those who play basketball, soccer, softball or volleyball can earn 30 points for each team they are on and 20 points for each squad. Taking part in swimming, track, tennis, hiking or aerial darts can entitle a girl to the maximum award of 50 points. Additional points are awarded for sportsmanship, perfect attendance, and captain or manager of a team.

Intramurals

Every man has a chance to participate in non-varsity sports through the intramural program, which develops social traits as well as physical fitness. The program includes touch-football, soccer, volleyball, basketball, swimming, wrestling, track, softball, tennis, golf, ping-pong, badminton, and cross country. The physical education requirement consists of two hours a week of regular gym classes for freshmen, while sophomores may either attend classes or participate in intramurals. Although not required of juniors and seniors, many upperclassmen take active part in the fun and recreation which these sports provide.

FAMILIAR CAMPUS TERMS

Aztec Ruins—only legal smoking area on campus; located near "Big Steps".

Baldwin Beach—the hedged-in terrain on the north side of Baldwin Hall where Maryville beauties bask in the Tennessee sun. Proper clothing for going to and from consists of raincoat, or shorts and shirt, or the equivalent, over your sunning outfit.

Bell—that object hung in Anderson tower which calls us to classes and to meals, and which, when rung following a football game, indicates a Scotty victory.

Blue Book—a small eight-page notebook required by many teachers for taking examinations; also used to refer to the kind of test which requires a blue-book.

Circle Drive—the circular pavement surrounding the main campus, on which pleasant walking may be enjoyed until 7:15 each week night and 7 on Sundays.

Comps—short for Comprehensive Examinations, an excruciating ordeal through which Seniors must go at the end of their College stay.

Cram—colloquial verb meaning to attempt to assimilate some knowledge of a course just prior to an exam; is not a recommended method.

Crip-Course—an extinct term; the name given to a course in which, supposedly, a D student can make an A without even buying a textbook (Everybody may call it that just before YOU take it.)

Cut—what you take when you're absent from a class on your own responsibility; check your allowances and keep your own record.

Honor Roll—what you're on if your average for the preceding semester was B or better; that list

which raises your reputation and the number of cuts you're allowed as well.

Light Cut—applied to the women's dorms when the young ladies keep their lights on after 11 p.m.

Loitering—taken from the Student Council root; meaning you'd better keep moving on your way to and from town and other College doin's.

Loop—comes in a variety of sizes—five miles for hikers, seven miles for intrepid hikers, and in the large economy size (twelve miles) for exercise faddists.

Moonshined—state which means that you and the boyfriend (or girlfriend, as the case may be) have been somewhere or have been doing something that isn't on the "approved list" and your relationship to each other and to those of the opposite sex is temporarily affected. It's a state you'll want to avoid at all cost, and conduct at all times becoming a lady or gentleman is a good insurance policy against this.

Quiz—short examination, generally of the "pop" variety, guaranteed to catch you by surprise—and at a loss, if you're not parallel with the class schedule.

Ralph—the "legendary figure" on campus who may appear at any time from behind the nearest shrub and catch you off guard; our beloved Night Watchman; the little man who's always there.

Student Help—includes practically all students. Applied to those who type, wait tables, staff the Library, assist teachers, and wag mail-bags, to name only a few of the many student-filled jobs at Maryville. The tenth of the month is pay day, as you'll soon be able to tell from the bright faces at that time.

Town Girl's Room—located on the second floor of Thaw for the convenience of women students who live in town; a place where they may leave their books and rest during their free periods.
